COMPANY PROFILE

Our team has 100 years of combined experience, working with and serving community members across NSW, SA, ACT, QLD, VIC, and WA. Our contribution ranges from international corporations, including Fortune 500 companies, to small-medium consulting firms.

The IROS principal consultants were honoured to have participated in some of the largest joint venture (JV) infrastructure projects nationally, including billion-dollar Private Public Partnership (PPP).

PROJECT DELIVERY

IROS wants to help you identify your potential project obstacles, possibly affecting the final project delivery time. The aim is to assist you to determine what your project requirements are. That is why at IROS, we provide you with a complimentary consultation session.
